Sub: **Enrolment of farmers under the service area of PACS for Procurement of Maize by NCCF under Ethanol Blending Program 2025.**

Sir/ Ma'am,

Regards from National Cooperative Consumers' Federation of India Limited (NCCF).

NCCF is an Apex Federation of Consumer Cooperative in the country, functioning under the administrative control of the Ministry of Consumer Affairs, Food and Public Distribution, Government of India New Delhi. NCCF is conducting its commercial operations through its 27 branches and offices located in various state capitals and other places in the country with its headquarters at New Delhi. Government of India is majority shareholder in NCCF and the audited statement of accounts and annual report of NCCF are laid down on the table of both the houses of Parliament.

NCCF has been nominated as one of the nodal agencies for procurement of maize, pulses and oil seeds under PSS throughout the country. NCCF regularly procures various commodities under PSS/PSF on behalf of Government of India to build buffer stocks for price control of essential commodities.

Currently, NCCF is mandated with procurement of Maize directly from farmers by utilising the services of PACS. Therefore, the PACS are hereby advised to utilise the digital platform of NCCF to Pre-register farmers who have cultivated maize during the Kharif Marketing Season (KMS) 2023/2024.

The procurement of Mazie shall be as per the prescribed FAQ norms and for material which is in non-conformity of FAQ norms, NCCF shall facilitate farmers by indicating appropriate rebate conditions.

Therefore NCCF, is willing to procure Maize from PACS/ FPO'S/ FARMERS/ TRADERS under the commercial operations (Trading) through our digital platforms.

Looking forward to serve the farming community with the best of our services at all times.

Thanking you,

Yours faithfully,
